1/31 All School Mass in Issaquah and
Matinee Movie

Miss Carmody

What We Are Learning

Religion: Next week we will be learning more about the Eucharist and what it means to us as Catholics. We will also be looking at the different parts of Mass and how they came to be.

Reading/Writing: Next week students have their first key assignment due for Experts' Fair. Each student must write 15-20 questions directly about their topic. These questions are due on **1/30**. Students should write questions that require deep thinking and cannot be answered with yes or no. There will be **NO spelling test next week**.

Math: In math we are wrapping up our unit on multiplying and dividing decimals. The Chapter 6 Test will be on **Thursday 1/30**.

Social Studies: Over the next few weeks we will be exploring topics about the earliest Americans. Students will learn how geography influenced migration and analyze various timelines.

Science: Students are finishing designing their propeller driven vehicles. We will continue to test them out and make observations about their movement as well as make adjustments to their designs.

Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
