What We Are Learning

Religion: Next week we will have our Talking about Touching lesson on Tuesday. This topic may bring up some challenging questions. If you would like more information please refer to the link in “Reminders & Other News”. We will be starting Unit 2: Jesus, Our Lord and Savior. Our first week of this unit discusses Salvation and the mystery of the Incarnation.

Reading/Writing: In reading we will be finishing up Module 2: What A Story. We have been reading a variety of genres including fantasy, informational texts, and poetry. Throughout this unit students have been working hard at comprehending text through finding the author’s purpose. In writing we will begin our unit on argumentative essays.

Math: Chapter 3 will be focusing on strategies for division. Some of this chapter may seem like review. This process will help when we move on to more challenging concepts. During review students also learn new strategies that might fit better with their individual learning style.

Social Studies: In social studies we will be learning about where people live and work. Students will be exploring various regions using Cornell Notes to track new information and details.

Science: Students are still working on different modifications of their vehicles and learning how mass impacts the movement of their designs.

Weekly Prayer

Act of Faith

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
