**Trunk or Treat:** 10/25 6:00-7:00 in Issaquah  
To sign up to participate in Trunk or Treat please visit [here](#)

## Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.

## What We Are Learning

**Religion:** Next week will be week 2 of Unit 2 titled Meeting Jesus. The theme is all about how a sacrament is a way that we share in God's life through grace. The new prayer we are working on memorizing is the Act of Faith. Please see the "prayers" tab under "resources" on the class website.

**Reading/Writing:** In the coming weeks students will be reading and writing about various natural disasters. Students will be exploring ways to form an effective argumentative letter.

**Math:** Students have been working hard on division and learning new strategies. I know that some strategies may be more effective for some students than others. Please remind your students that it is a *good* thing to struggle with a skill or concept at times. It truly helps their brains grow!

**Social Studies:** Next week we will be wrapping up our first unit in social studies. Our social studies time will be spent reviewing and practicing skills we learned in this unit to prepare for our first test on **10/29**

**Science:** Our developing scientists have officially completed the first set of vehicle design challenges! Next they will be discovering different ways to get their vehicles to move using energy.
