## What We Are Learning

**Religion:** Our fifth and final week of Unit 1 we will be learning about the Liturgical Calendar. Students will be taking their first religion **test the week of 10/14**. This test will be open book. We will also be testing memorization of the **Jesus Prayer the week of 10/14**.

**Reading/Writing:** Next week we will be sharing our final drafts of our expository essays! These 5<sup>th</sup> graders have worked SO hard on these essays and I am excited for you all to see the result of all their efforts.

**Math:** Chapter 2 will be wrapped up next week on Wednesday with a fun review day full of games to reflect and practice the skills we learned. The Chapter 2 test will be on **10/10**.

**Social Studies:** In social studies we will be learning about climate and vegetation in various regions of the United States. Students will be able to explain physical system changes such as season, climate and weather, that identify different geographical patterns.

**Science:** Students will work on improving their vehicle designs. It has been a joy to see each group work together to persevere through challenging designs.

## Weekly Prayer

### Jesus Prayer

Lord Jesus Christ, Son of God, have mercy on me, a sinner.

# Spelling Test on 10/10 – Module
