What We Are Learning

Religion: We will be expanding on the Sacraments through discussing how they play an important role in the Advent season.

Reading/Writing: This week students will finish a typed final draft of their argumentative essay on natural disasters (11/15). I have included a rubric for this essay under "resources" on our class website.

Math: Our mathematicians have been working hard on division. Chapter 4 covers more advanced division strategies and equations. Students may access [khanacademy.org/mappers](https://www.khanacademy.org/mappers) at home to practice skills tailored to their needs.

Social Studies: In social studies we will be starting Chapter 2. We will continue to be practice reading different kinds of maps and applying those skills in real life examples.

Science: Of course, this week is our field trip to the Museum of Flight! We will continue working on modifying our vehicles this week.

Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
