## What We Are Learning

**Religion:** Next week we will be finishing up our projects for The Knights of Columbus. We will also be sharing who our Advent Angels were during our class party on 12/18.

**Reading/Writing:** We will continue to read and learn about ways to help our planet. Next week we get to read a play about the Earth and learn more about the elements of drama. Our spelling test will be on **Thursday 12/18/19.**

**Math:** In math we will be reviewing decimals and several other challenging concepts we have covered so far this year. When we return from break, we will be starting Chapter 6: Multiply and Divide Decimals. Over the break it would be helpful if you could continue to practice multiplication and division facts in your free time.

**Social Studies:** Over the next few weeks we will be exploring topics about the earliest Americans. Students will learn how geography influenced migration and analyze various timelines.

**Science:** In science we are still experimenting with different ways friction impacts the movement of a vehicle.

## Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
