Reminders & Other News

Please return Thursday Folders every Friday and Friday Folders every Monday (signed). Both folders can be turned in directly to me!

I would also really appreciate your feedback about Friday Folders. The survey is quite short, and it will help me make a better plan for sharing student work and communicating with you all on a weekly basis.

What We Are Learning

Religion: In December we will be learning more about Advent. Along with our Finding God Curriculum, we will be participating in the Keep Christ in Christmas poster and essay contest being run by the St. Joseph's chapter of the Knights of Columbus.

Reading/Writing: Starting next week we will be reading about our planet Earth. This will be a great opportunity to blend science and reading comprehension. In writing, we are still writing learning about writing a formal letter. Students are working hard to create a letter to a historical society to inquire about traveling West.

Math: Our unit on adding and subtracting decimals will end with a test next Thursday **12/12**. The last week before Christmas break will be spent reviewing math concepts we have learned so far this year.

Social Studies: Over the next few weeks we will be exploring topics about the earliest Americans. Students will learn how geography influenced migration and analyze various timelines.

Science: In science we are still experimenting with different ways friction impacts the movement of a vehicle.

Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
