## Miss Carmody

## What We Are Learning

**Religion:** Next week we will be learning about the Sacrament of Reconciliation and the Sacrament of the Anointing of the Sick. We will also begin reading a book called Shiloh by Phyllis Reynolds Naylor to help guide deep discussions about our faith.

**Reading/Writing:** By February 28<sup>th</sup>, students will need to have a bibliography outline for their Experts' Fair research as well as at least 10 of their questions thoroughly answered. Their bibliography and answers may be typed or on their notecards. In reading we will be wrapping up our module on art around the world and moving on to stories about exploring and adventures.

**Math:** Our next chapter in math is short and sweet! We will be focusing on expressions and patterns in problem solving. The test for this chapter will be on **2/13**.

**Social Studies:** Next week we will be wrapping up our chapter on The Earliest Americans with an informal in-class project. Students will be able to use their books to create a summary of the chapter and implement vocabulary and skills we learned in this chapter.

**Science:** Next week we will be completing our science unit on Motion and Design. Students will be assessed on their ability to communicate with their team to design a vehicle that can move successfully.

## Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
