## What We Are Learning

**Religion:** Next week we will be reviewing Unit 4 which covered the Sacraments of Healing and introduced us to Lent. Our test on Unit 4 will be on Friday 3/6. This test will be open note.

**Reading/Writing:** By March 11<sup>th</sup> I will be checking that students have finished answering their questions for Experts’ Fair. At this date students will also need to have finalized their bibliographies. These two steps are crucial for us to move on to the next steps (essay, poster, and brochure). Please support your student in working on these portions at home.

**Math:** Next week we will finishing the first portion of our fractions unit. The Chapter 8 test will be on 3/6. The skills we have been working on in this introductory unit truly help students build a solid foundation for what will be doing with fractions throughout the rest of the year. I will be including digital resources on our class website to promote studying at home.

**Social Studies:** Our curious historians are excited to embark on an adventure that takes place in the late 1400s. They will encounter the what it was like to sail from Spain to the “New World”.

**Science:** We are continuing to build a strong understanding of vocabulary to be able to engage with our Microworlds unit.

## Weekly Prayer

O my God, I firmly believe that Thou art one God, in three Divine Persons, the Father, the Son and the Holy Ghost; I believe that Thy Divine Son became man and died for our sins and that He will come to judge the living and the dead. I believe these and all the truths which the holy Catholic Church teaches, because Thou hast revealed them, Who canst neither deceive nor be deceived.
