Reminders & Other News

Please return Thursday Folders every Friday and Friday Folders every Monday (signed). Both folders can be turned in directly to me!

It appears that most of the uniforms have finally arrived. We will start being stricter with our uniform policy. It is the beginning of rainy season, so please be mindful when planning for each day. Even if a sweatshirt or sweater is navy, it must be from our uniform provider.

Conference sign-ups are online!

What We Are Learning

Religion: Our third week in Unit 1 we will be focusing on God's Revelation. Students will work together to explore this topic and gain a better understanding of what that means through a variety of stories in the Bible.

Reading/Writing: Next week we will be finishing up Module 1: Inventors at Work. Our reading focus on inventors and their inventions will transition to fantasy books and figurative language. We will continue to work on writing an expository essay about an inventor and one of their inventions. The goal is for this to be completed by the end of September. **Students MUST approve their inventor with me.**

Math: Chapter 1: Place Value will be assessed on Tuesday 9/24. Our next chapter in math is about multiplying whole numbers.

Social Studies: Next week we will continue to learn about Land and Regions in our Social Studies textbook. Students will be learning new vocabulary and practice reading different types of maps

Science: Students will continue working on engineering a variety of vehicles.
